

NOTICE OF PUBLIC MEETING #2

Concerning the:

Southern Extension of the US 45 Bypass

Tuesday, December 14, 2010 – 5:00 to 7:00 PM

South Jackson Community Center
412 Highway 18, Jackson, TN 38301

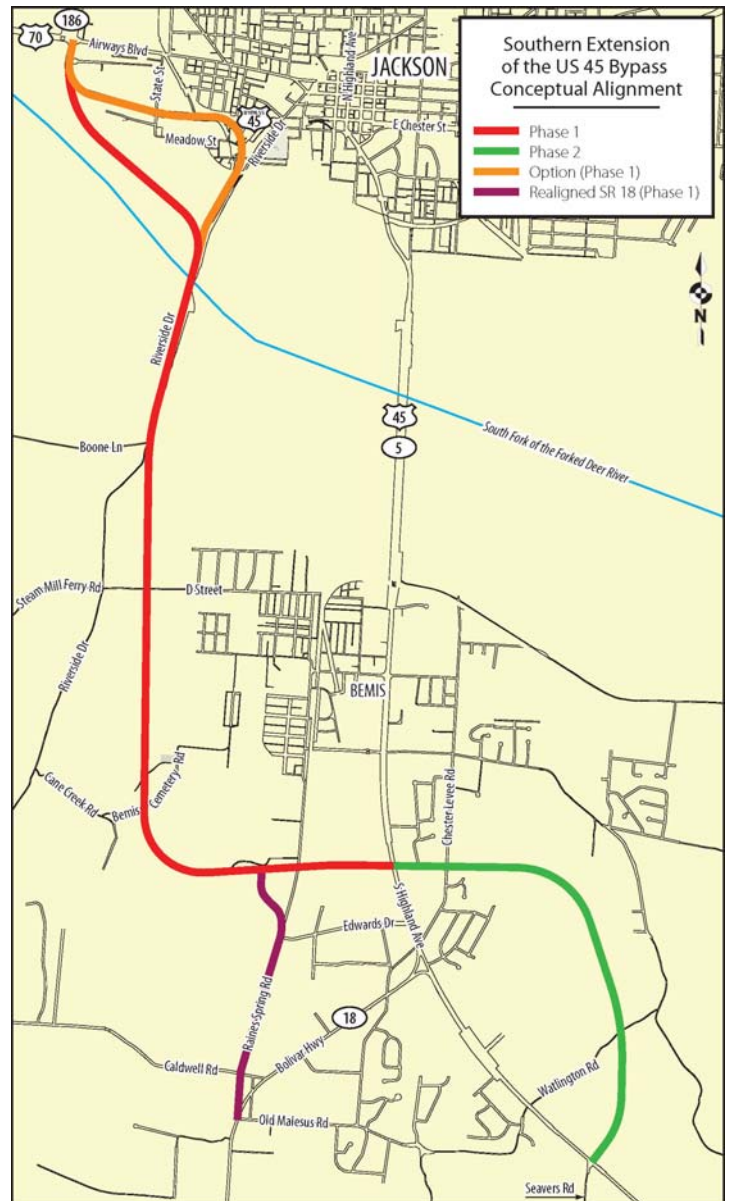

The US 45 Bypass Study was commissioned by the City of Jackson to evaluate extending the existing US 45 Bypass to the south from a point near Airways Boulevard (State Route 1) to South Highland Avenue (US 45/State Route 5).

The December 14th public meeting will be held to present the alignment to the public for the first time. The conceptual alignment will be displayed on tables and walls throughout the room. This alignment is preliminary, but will show potential right-of-way and access points for the future project. City of Jackson officials, their planning and engineering consultant and representatives of TDOT will be available to answer questions at the displays. No formal presentation will be given, but an automated informational presentation will run throughout the meeting. The public is invited to submit comments verbally or in writing at the meeting, or within twenty-one (21) days following the meeting. A court reporter will be available at the meeting to take comments.
